

35

we subsidize farmers to plant unsuitable crops with terminator seeds that corrupt the species & pollute our rivers then market the product overseas

moo

When soya beans go
MOO!
& cows go
BOO HOO HOO!
Which milk is cool to brew?
What food is GOOD for you?

This genetic pool's become a puddle
Gone all muddy
It's a muddle. It's in trouble
BOY
is it in trouble!
Who done fiddle with yr genes mister bean?
Are you clean?
Me I'll take a modified befuddle
In a vegetable bubble of security
Squeak squeak Mrs Freak
With yr sweet smellin burnt turd burger raga vindaloo

Who?

BOOO HOO! That's who!
So how do you do now?
I mean when soya beans go
WHEEE!
&
cows go
WOW! WHOOPEEE!
My milk goes in my tea
My food is good for me
&
I go tea he he
(she she)
